**Supporting Evidence:** The offender is alleged to have violated special condition number 8, by ingesting a controlled substance, marijuana, on or about February 18, 2025.

On February 18, 2025, the offender reported to the U.S. Probation Office for a scheduled appointment. At that time, she submitted a urine specimen that returned presumptive positive for methamphetamine and marijuana. When questioned by the probation officer, she denied use of both substances.

The urine specimen was thereafter confirmed positive for marijuana. The confirmation for methamphetamine is currently pending.

- 13      **Special Condition #7:** You must undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete approved substance abuse treatment programs, which could include inpatient treatment and aftercare upon further order of the court. You must contribute to the cost of treatment according to your ability to pay. You must allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** The offender is alleged to have violated special condition number 7, by failing to attend scheduled treatment sessions at Youth Family Adult Connections on February 3 and 18, 2025.

On February 24, 2025, this officer contacted the offender's treatment provider to discuss Ms. Eller's progress in treatment. At that time, her counselor advised that the offender missed scheduled group treatment sessions on February 3 and 18, 2025.

The U.S. Probation Office respectfully recommends the Court issue a warrant and incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court issue a warrant.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: February 25, 2025
